Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

This is in response to the Decision on Petition dated April 5, 2010, regarding the above-identified application.

A Notice of Allowance was mailed on June 13, 2008, along with a Notice of Allowability, which required corrected drawings and stated that the drawings received on January 15, 2004 were not annotated as "replacement sheets" and that correction before payment of the issue fee was required.

Applicants paid the issue fee on June 26, 2008, but did not submit the corrected drawings. The United States Patent and Trademark Office mailed a "Notice of Abandonment" on October 7, 2008 to Counsel for Applicants stating that no corrected drawing had been received as required by, and within the three-month period set in, the Notice of Allowability (Form PTO-37).

CERTIFICATE OF MAILING: (37 C.F.R. 1.8) I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the U.S. Postal Service with sufficient postage as First Class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450 on MAY 13, 2010, by [Signature]
Daniel H. Bliss

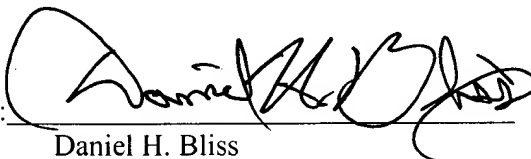

Applicants previously filed a Petition for Withholding of Abandonment, which was dismissed on April 5, 2010 in the Decision on Petition. In the Decision on Petition, it was suggested that Applicants consider filing a Petition in accordance with 37 C.F.R. 1.137(b) so that the above-identified application can be revived and the corrected drawings entered.

Accordingly, Applicants are concurrently filing with this Response a Petition in accordance with 37 C.F.R. 1.137(b) so that the above-identified application can be revived, as this application was unintentionally abandoned, and enter the corrected drawings attached hereto.

Attached to this Response are the corrected drawings annotated as "replacement sheets" in accordance with the Notice of Allowability, which required corrected drawings. It is respectfully submitted that the corrected drawings are acceptable and that the application may be passed to issuance.

The Commissioner is authorized to charge the Deposit Account No. 06-1510 in the amount for the fee required under 37 C.F.R. 1.137(b) and any other fees which may be due.

Respectfully submitted,

By:
